

WHITE PEACE POPPIES ORDER FORM - 2019

Name: _____

Address: _____

Postal Code: _____

Group Affiliation (if any): _____

All Poppy Packs include with each poppy a small safety pin and a colourful 'business card' leaflet giving some reasons for wearing a white poppy and a short history of the white poppy campaign. We are two individuals who run this campaign as a consciousness raiser, not a fundraiser. Proceeds cover our costs and support the education work of the Peace Pledge Union in Britain which makes the poppies. Prices listed below are suggested donations and include 1st Class Postage within Canada, and a 4c per poppy increase in our cost over 2018. Please order quantities over 100 directly from the PPU; see our website for advice.

This year again we're offering subsidies for schools. Send us the name of your school, ages of class(es) participating etc. and we'll provide more details.

Prior to mailing your form please contact us by phone or email to verify availability. Mail a cheque payable to T. Gagné to 8016 Jadetree Court, Vancouver BC V5S 4A8, or email for Interac eTransfer instructions.
