

CANADIAN SCHOOLS WHITE PEACE POPPIES TEACHER'S ORDER FORM - 2019

School Name: _____

Address: _____

Contact Name & email: _____

Grades or Ages participating: _____

We want to make white peace poppies more available and affordable for schools across Canada. Donations from generous supporters allow us to purchase the **traditional white cloth poppies** from the British Peace Pledge Union and make them available to school teachers for a **subsidized price – a suggested donation of only \$.60/poppy**.

This price applies to poppies purchased by teachers or schools for classroom use in elementary or secondary schools. For help with student run campaigns see our "Student Campaign Form" at peacepoppies.ca/peacepoppies-schools.html . Supplies at the subsidized price may be limited; please pre-order ASAP to ensure your school's order can be filled.

With each poppy we include a small safety pin, and for grades 3 and up a colourful info. card giving some reasons for wearing a white poppy and a short history of the campaign. Pins are supplied loose, but instructions for attaching them are provided. Each school will also receive a beautiful colour poster of red and white poppies with the text "White Poppies for a Culture of Peace". Additional posters can be printed from the masters on our website.

Poppies are quite durable and can be collected for reuse after the Remembrance Day assembly.

We distribute white poppies as a consciousness raiser, not a fundraiser. Proceeds of our campaign cover part of our costs and support the education work of the Peace Pledge Union in Britain which makes the poppies.

Mail a cheque payable to T. Gagné to 8016 Jadetree Court, Vancouver, BC V5S 4A8, or email info@peacepoppies.ca for Interac eTransfer instructions. To save time, you can email us the information requested on this form.

I would like to order the following:

Item	Cost	Quantity	Total \$
White Cloth Poppies	@ \$ 0.60		\$
