\_\_\_\_\_

Postal Code: \_\_\_\_\_

Group Affiliation (if any): \_\_\_\_\_

All Poppy Packs include with each poppy a small safety pin and a colourful 'business card' leaflet giving some reasons for wearing a white poppy and a short history of the white poppy campaign. We are two individuals who run this campaign as a consciousness raiser, not a fundraiser. Proceeds cover our costs and support the education work of the Peace Pledge Union in Britain which makes the poppies. Suggested donations below are suggested donations and include 1st Class Postage, and a 30% increase over last year, when we took a significant loss mostly due to our school subsidies. Please order quantities over 100 directly from the PPU; see our website for advice. We only ship to Canada.

This year again we're offering subsidies for schools. See the **Schools** tab of our website [peacepoppies.ca](http://peacepoppies.ca) for information, classroom resources and order forms.

Prior to mailing your form please check the website to confirm availability. Mail a cheque payable to T. Gagné to 8016 Jadetree Court, Vancouver BC V5S 4A8, or pay by Interac eTransfer to [info@peacepoppies.ca](mailto:info@peacepoppies.ca). Please send the security question answer by separate email. To save time, you can email us the information requested on this form.
