

# STUDENT CAMPAIGN ORDER FORM - 2022

## WHITE PEACE POPPY MATERIALS

School Name \_\_\_\_\_

Address: \_\_\_\_\_

Contact Name & email: \_\_\_\_\_

Classes or Clubs participating: \_\_\_\_\_

Running their own White Poppy Campaign is a great way for high school students to promote peace in their school community. Campaigns can be sponsored by a Social Justice class/classes, a school club, or simply a group of friends. Since student groups can expect to recover their poppy costs through donations, VPP doesn't provide subsidized poppies, but we can usually provide limited numbers of poppies at cost. Quantities of >100 should be ordered directly from Britain. Alternately, groups could print and cutout their own homemade white poppies.

To get you started with the basics we can provide:

- Advice on ordering white poppies directly from Britain
- Templates for printing attractive white poppies on photo paper

If you direct order or print your poppies we will provide at no charge:

- Colourful informative 'business card' leaflets giving some reasons for wearing a white poppy and a short history of the campaign
- A beautiful colour poster with the text "White Poppies for a Culture of Peace"

**At Vancouver Peace Poppies we run our White Poppy Campaign as a consciousness raiser, not a fundraiser.** The suggested donations below cover our costs and help support the education work of the Peace Pledge Union in Britain, which makes the poppies. Providing subsidized or free materials to schools is made possible by the financial support of a few generous donors.

**Mail this form to** T. Gagné to 8016 Jadetree Court, Vancouver, BC, V5S 4A8
