Contact Name & email: \_\_\_\_\_

Grades or Ages participating: \_\_\_\_\_

We want to make white peace poppies more available and affordable for schools across Canada. Donations from generous supporters allow us to purchase beautiful, paper-based, recyclable, plastic-free, ethically sourced lapel poppies from the British Peace Pledge Union and make them available to public schools for a **subsidized price – a suggested donation of only \$.70/poppy**.

This price applies to poppies purchased by teachers or schools for classroom use in elementary or secondary schools. For help with student run campaigns see our "Student Campaign Form" at [peacepoppies.ca/peacepoppies-schools.html](http://peacepoppies.ca/peacepoppies-schools.html). Supplies may be limited; so please pre-order ASAP to ensure your school's order can be filled. This year we are limiting school orders to 200 (unless by special arrangement). Please place larger orders directly with the Peace Pledge Union at [shop.ppu.org.uk](http://shop.ppu.org.uk). See our website or phone us for additional advice if needed.

With each poppy we include a small safety pin, and for grades 3 and up, a colourful info. card giving some reasons for wearing a white poppy and a short history of the campaign. Cards come in two versions - one suitable for grades 3-7 and another for older students and adults. Pins are supplied loose, but with easy instructions for attaching them. Each school will also receive a beautiful colour poster of red and white poppies with the text "White Poppies for a Culture of Peace". Additional posters can be printed from the masters on our website. If you require a receipt please use this form, if not, you can just email us the information requested above.

Poppies are quite durable and can be collected for reuse after the Remembrance Day assembly.

**We distribute white poppies as a consciousness raiser, not a fundraiser.** Proceeds of our campaign cover part of our costs and support the education work of the Peace Pledge Union in Britain which makes the poppies and provides excellent resources for schools.

**Mail a cheque** payable to T. Gagné to 8016 Jadetree Court, Vancouver, BC V5S 4A8, or pay by **Interac eTransfer** to [info@peacepoppies.ca](mailto:info@peacepoppies.ca) - send the security question answer by separate email.
