Name: _____

Address: _____

Postal Code: _____

Group Affiliation (if any): _____

Our white lapel poppies are beautiful, sturdy, paper-based, recyclable, plastic-free and ethically sourced from the British Peace Pledge Union. Standard Poppy Packs include with each poppy a small safety pin and a colourful 'business card' giving some reasons for wearing a white poppy and a short history of the white poppy campaign.

Please let us know if you prefer fewer, or no info. cards with your order.

We are two individuals who run this campaign as a consciousness raiser, not a fundraiser. Proceeds cover our costs and support the education work of the Peace Pledge Union in Britain which makes the poppies. Prices below are suggested donations and include 1st Class Postage. Please order quantities over 100 directly from the PPU; see our website for advice. We only ship within Canada.

This year again we're offering subsidies for schools. See the **Schools** tab of our website peacepoppies.ca for information, classroom resources and order forms.

Prior to mailing your form please check peacepoppies.ca to confirm availability.
